## February Virtual & Live Meeting

### Doug Brinks

My name is Doug Brinks. I started turning wood 8 years ago when I purchased a Shopsmith that came with a set of woodturning tools. I was instantly addicted. A couple of years later I started entering into Art Competitions and doing Art Shows. I'm currently a member of two art galleries and the President of the Grand River Woodturners Guild. The demo I will be doing for your chapter is titled "Turning a Negative Space Hollow Form". In this

demo I will be discussing a few ways to achieve a negative space Hollow form and then I will turn one.

### Call for Volunteers

Are you wanting to give back to Golden Triangle Woodturners?

We are in need of a few volunteers who can help set up before our monthly meeting, and help put things back in storage after each meeting. The visual arts center opens at 6:00 PM so come as soon as you can. If you can help after the meeting, hang around for about 30 minutes and help put up. It takes time and effort to provide a quality meeting. Please help as often as you can.

Thanks

Board of GTW

- Don't forget to pay your dues. You can pay them on our website or at the live demo. The dues will increase to \$36 for the 2023 year so we can continue to improve our systems and provide excellent demonstrations for the club.

- Those who participate in the President's Challenges will receive a raffle ticket! Please email pictures if you will be unable to attend the live meeting to Tana6389@yahoo.com and title the GTW Challenge.
- If you have a fun quote, email that to me as well at the above email.

*Miscellaneous Club Information / Upcoming Activities*

### President's Letter

This February meeting will feature Doug Brinks showing how to turn vessels with voids in it. Last month we had some problems sending out Zoom video but Steve is working on the issue. We may need some new equipment. This month we should be ok since we will be sending out a remote signal from Doug's shop.

I won't be at the February meeting because my wife and I are going to Hawaii. Maybe I can bring back some local wood.

### -President's Challenge-

Challenge for this month is turning small items from cutoffs. We had to cancel the hands on shop for health reasons but let's show what ideas all of you have come up with. I've been working on whistles from Neal Brand's idea and spinning tops.
