January 2020 VOLUME XVIII, ISSUE 1

MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

Tana Munuz

I'm a stay at home mom for my 4 year old toddler Luke. My family moved to Collinsville, Texas from Loving, New Mexico in July of 2017 and I love how beautiful and green it is here.

While I do have a Bachelor's in Environmental Management, I have a passion for making things for people. I have trained and competed on barrel racing horses, done big game taxidermy, and started woodturning in March of 2019. I started by attempting to make my husband an antler ring for Valentines using a Dremel and drill. I thought I'd found my niche by offering antler rings to my taxidermy customers, but I just didn't have enough time to dedicate to taxidermy. I got into rings and it has just evolved these past months. I will demonstrate how I make rings at the February meeting. I've ventured into pens and ornaments and will probably start something else new soon. My kiddo even requested a ring and a pen for Christmas so I made him a little resin ring with a break in it for safety and a mini pen.

Woodturning happenings

James Thurman

Golden Triangle Woodturner James Thurman will be teaching small-scale metal spinning at Arrowmont this year: He would love to see some of our club members come out.

If you remember he did a great demo at our club and showed some cool techniques for spinning metal on your wood lathe.
