March 2020 VOLUME XVIII, ISSUE 3

MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

April Virtual Meeting

Steve Thomason

I spent 54 years in Information Technology until I recently retired. Along the way I was also a professional dog trainer, a licensed humane investigator, and humane society director. I co-founded Gifted Animal Placement (GAP) to rescue dogs that law enforcement officers needed for drug detection, ordinance detection, search and rescue and cadaver work.

I started woodturning about 7 years ago with pens, handles and other spindle work. However, I quickly realized that I needed more instruction. I joined Golden Triangle Woodturners as well as several other clubs in the area, and received a lot of help. I was able to also take a class with Neal Brand and John Solberg on Tibetan and Russian Spindles where I learned to use a skew! Then I took classes with Joe Ruminski, Jimmy Clews, Doug Fisher, Janice Levi, Michael Hosaluk, Rebecca DeGroot, Derek Weidman, Alan Lacer, and Jeff Hornung to name a few! I find that I do enjoy learning new techniques and trying out new (to me!) things.

I am also proud to have served as President of Golden Triangle Woodturners for three years, and am currently Past President.

Woodturning happenings

James Thurman

Golden Triangle Woodturner James Thurman will be teaching small-scale metal spinning at Arrowmont this year: He would love to see some of our club members come out.

If you remember he did a great demo at our club and showed some cool techniques for spinning metal on your wood lathe.
